

Dear Respected Colleagues,

It is my pleasure to invite you and members of your research group to submit an article for Vol. 35 (Issue-1 & 2)] of the Journal of the Bangladesh Chemical Society (JBCS). The authors are encouraged to send the article in any regime of Chemistry and its related fields. Submitted manuscripts must not have been previously published or be under review for possible publication. All papers will be reviewed by two referees following the regular reviewing procedure of the JBCS (3-4 weeks). All correspondence, including notification of the Editor's decision and requests for revision, will take place by E-mail. Please submit your article by using the [Manuscript Submission Link](#) or email (editors.jbcs@gmail.com).

[Journal of the Bangladesh Chemical Society \(JBCS\)](#) is a peer-reviewed Journal (ISSN: 1022-016X & E-ISSN: 2408-8692) that provides rapid publication of articles in all areas of chemistry and its applications and publishes biannually. The journal welcomes publications of high-quality papers on theoretical developments and practical applications in Chemical Science and its related field. The Journal publishes original papers, reviews, and short communication. The scientific quality of papers must avoid the conflict of interest of society and declare the originality of the manuscripts. If you are interested in contributing your selected paper to this issue, please submit your article (research article/review article/communication).

Scope and Interests

JBCS publishes research papers in all areas of the advancement of Chemistry and Chemical Technology & Engineering.
